1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

As recited at the end of column 1 and the start of column 2 the maximum allowable speed is determined based on the state of the brakes. As recited in column 5, lines 55-68, the max allowable speed and actual speed are shown to the driver. As recited in column 6, line 8, an engine brake, which is regarded as the retarder, may be used to slow the vehicle automatically.

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
